

“Gimv wants to be a company where passionate entrepreneurs with a European vision know that they can find a sounding board for their ambitious plans.”

Representing thirty years of investment experience, Gimv is Belgium's most important private equity and venture capital provider and a major European and international market player. The company is listed on Euronext Brussels (share code GIMB). Gimv currently manages a portfolio representing around EUR 1.8 billion of assets (including third party funds). Since its incorporation, Gimv has achieved an average annual return of over 12 percent.

Mission

Gimv's ambition is to create added value by investing in promising small to medium-sized companies and to actively accompany and support these companies as a professional and experienced partner in their growth, expansion, operational improvement and financial optimisation.

Investment approach

- partnership relationships with investee companies, involving both financial support and management support
- extensive, geographically and sectorally diversified portfolio
- local offices
- experienced staff with in-depth understanding of the local market and business
