

Building leading companies.

Internship at Gimv The Hague

About Gimv

Gimv is a European investment company, listed on Euronext Brussels, with almost 40 years' experience in private equity and venture capital. The company currently has a portfolio of EUR 1.1 billion of investments in around 50 portfolio companies, with combined turnover of EUR 2.75 billion and 14,000 employees.

As a recognized market leader in selected investment platforms, Gimv identifies entrepreneurial, innovative companies with high growth potential and supports them in their transformation into market leaders. Gimv's four investment platforms are Connected Consumer, Health & Care, Smart Industries and Sustainable Cities. Each platform works with an experienced team across Gimv's home markets of Benelux, France and DACH, supported by an extended international network of experts.

What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity and Venture Capital sector. For a period of at least 3 months you will work for all platforms as multi-platform intern (Connected Consumer, Sustainable Cities, Smart Industries or Health & Care) as a member of the investment team. As an intern you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the ability to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and network through internal and external meetings
- Acquire the necessary technical skills through group and/or individual trainings

Upon completion of the internship, many of our interns are prepared to function as an Analyst in an investment bank, M&A or Private Equity house. We encourage them to apply for any open position within Gimv.

We offer a market standard compensation package, completed with the required training, as well as a challenging environment with room for own initiatives.

Key competencies and qualifications include:

- First-class business, economics, science or engineering degree
- Strong analytical skills
- Financially numerate with good Microsoft Office skills
- Excellent communications skills, fluent English (additional mainstream EU language is a plus). Knowledge of Dutch is required for an internship in our The Hague office.
- Self-starter
- Demonstrable interest, experience and understanding of specific sectors we focus on and a desire to work in private equity/venture capital

Please send your cover letter + CV (max 1 page) clearly indicating your availability to internships.netherlands@gimv.com for an internship in our The Hague office.
