

Gimv

Good company for companies

Press release

Antwerp / 15 January 2009 / 17:45 CET

Jan Oosterveld joins the Advisory Board of Gimv Technology

Since 2002 Gimv Technology has been backed by an Advisory Board, a group of international managers with either an entrepreneurial background or a successful career within major international technology companies. These executives assist the team in identifying market and investment opportunities and provide strategic insights in their specific field of knowledge. Gimv Technology is proud to announce that it could reinforce its Advisory Board with Jan Oosterveld.

Jan Oosterveld is a professor of the IESE Business School in Barcelona and is a member of the board of several listed companies in the UK, Germany, Belgium and the Netherlands. In 2004 he retired as a member of the group management committee of Royal Philips Electronics, where he was responsible for corporate strategy, corporate alliances and the joint ventures with LGE. He was also CEO of Philips Asia Pacific.

Other members of the Advisory Board include Gilbert Declerck (IMEC), Martin De Prycker (Barco), David Macaulay (Siemens), Leonard Schrank (President of the American Chamber of Commerce, Swift), Michel Akkermans (Clear2Pay, FICS), Stijn Bijmens (LRM, Ubizen), Yossi Kofman (Modem-Art) and Yves de Talhouët (HP France).
