What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity sector. For a period of 6 months, you will work in a multiplatform set-up, as the intern amongst the team-members of the dedicated investment platforms. You will support the teams over the full investment cycle (from origination to investment, over portfolio management and exit).

Your mission will include:

- Prospecting, research of potential targets (market studies, competition, positioning)
- Participation in the analysis of investment opportunities (preparation of Investment Committee notes, modeling, etc.)
- Involvement in all the steps necessary for the completion of transactions (due diligence, financial and legal aspects of transactions)
- Ad-hoc work on portfolio companies

Upon completion of the internship, many of our interns are ready to take up job vacancies as an Analyst in e.g. an investment bank, M&A or Private Equity house. Gimv also encourages successful interns to apply for internal job vacancies should there be any openings.

We offer an attractive compensation package, completed with excellent tutoring facilities, as well as a challenging environment that allows for and stimulates individual initiatives.

Required key competencies and qualifications include:

- At least a 6-month experience in Private Equity, M&A, Strategy Consulting or Transaction Services
- First-class business, economics or engineering degree
- Strong analytical and synthesis skills and attention to detail
- Financial literacy with good Microsoft Office skills
- Excellent communications skills, fluent in French and English
- Demonstrate an obvious interest, experience and understanding of the specific sectors Gimv focuses on and possess a clear desire to work in private equity

We look forward to receiving your CV and cover letter on internships.france@gimv.com
