

Building leading companies.

Internship at Gimv Antwerp

About Gimv

Gimv is a European investment company, listed on Euronext Brussels. With over 40 years' experience in private equity and venture capital, Gimv currently has EUR 1.7 billion of assets under management. The portfolio contains around 60 portfolio companies, with combined turnover of EUR 3.7 billion and over 20,000 employees.

Gimv supports ambitious companies and entrepreneurs through its five investment platforms: Consumer, Healthcare, Life Sciences, Smart Industries and Sustainable Cities. Each platform works with an experienced team in Gimv's home markets of Benelux, France and DACH.

More information on Gimv can be found on www.gimv.com

Why apply for an internship at Gimv?

Gain work experience at a leading European private equity company. For a period of 4 to 6 months, you will work in a multiplatform set-up amongst the team-members of the private equity platforms or dedicated to the life sciences venture capital team. As an intern you will support the team through the full investment cycle (from origination to investment, over portfolio management and exit). You will have the opportunity to:

- Further develop your research and financial analysis skills
- Gain insight in the world of private equity through close collaboration with the investment team in Antwerp
- Use industry standard tools and databases
- Develop your soft skills and networking through internal meetings and expert calls
- Work in a pleasant environment with an attractive compensation package

Upon completion of the internship, many of our interns are ready to take up a job in the financial sector. We actively facilitate our interns in their external search and encourage them to apply for internal vacancies if applicable.

What are we looking for?

- Outstanding academic results in a business, economics, science or engineering degree
- Strong analytical skills and financial literacy
- Proficient in Microsoft Office, notably PowerPoint and Excel
- Fluent in Dutch and English
- A proactive, curious, and collaborative mindset
- Prior internship experience in the financial sector is considered a strong plus
