## Internship at Gimv Antwerp

### About Gimv

Gimv is a European investment company listed on Euronext Brussels and a member of the Euronext BEL ESG Index. With over 45 years of private equity experience, Gimv currently manages more than EUR 2 billion of assets across a portfolio of some 60 companies, representing combined turnover of EUR 5 billion and more than 20,000 employees.

As a recognised market leader in four sector-focused investment platforms (Consumer, Healthcare, Smart Industries and Sustainable Cities) as well as through Gimv Anchor Investments, Gimv partners with entrepreneurial, innovative businesses with strong growth potential and supports their transformation into market leaders. Each platform operates with an experienced local team across Gimv's home markets (Benelux, France and DACH), backed by an international network of experts.

### Why apply for an internship at Gimv?

Gain work experience at a leading European private equity company. For a period of 4 to 6 months, you will work as part of the investment team, contributing across platforms (Consumer, Healthcare, Smart Industries, and Sustainable Cities) and/or within our Anchor investing approach. As an intern you will support the team through the full investment cycle (from origination to investment, over portfolio management and exit). You will have the opportunity to:

- Further develop your research and financial analysis skills
- Gain insight in the world of private equity through close collaboration with the investment team in Antwerp
- Use industry standard tools and databases
- Develop your soft skills and networking through internal meetings and expert calls
- Work in a pleasant environment with an attractive compensation package

Upon completion of the internship, many of our interns are ready to take up a job in the financial sector. We actively facilitate our interns in their external search and encourage them to apply for internal vacancies if applicable.

### What are we looking for?

- Outstanding academic results in a business, economics, science or engineering degree
- Strong analytical skills and financial literacy
- Proficient in Microsoft Office, notably PowerPoint and Excel
- Fluent in Dutch and English
- A proactive, curious, and collaborative mindset
- Prior internship experience in the financial sector is considered a strong plus
