Responsible company, sustainable investor

Sustainability means meeting our needs today without compromising the ability of future generations to meet theirs. As **a responsible company and investor,** Gimv contributes to integrating the future into everything we do today.

Building together

Impact, connection and freedom are the building blocks of our identity. The Gimv **identity framework** empowers employees to reach their full potential, driving impactful change and fostering meaningful connections.

Diversity & inclusion

At Gimv, we strive **to build teams with diverse talent**. We aim for trust and respect, open and transparent communication, a culture where people can be themselves and speak their minds.

Building leading companies together

(Y)our mission

As active shareholders, Gimv employees help accelerate growth that creates lasting economic and societal value.

(Y)our connections

INTERNATIONAL SCOPE

Highly networked:
portfolio CEO events, platform events, young professionals event, advisor events, ...

Strong in-platform collaboration across countries

SOLID BUSINESS SUPPORT

Winning team mentality

Both professional and fun ways to connect with each other: after-work drinks, portfolio days, lunches, New Year events, sport sessions, team building activities, ...

We're one Gimv, yet multifaceted

Under the banner of Gimv, we encompass manifold identities and roles. Each investment platform has its own practices, each country its own pulse. Our strength lies in **embracing the multitude of expertises and experiences** that each individual brings.
