What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity sector. For a period of 3 months, you will work as part of the investment team, contributing across platforms (Consumer, Healthcare, Smart Industries, and Sustainable Cities) and/or within our Anchor investing approach. As an intern you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the opportunity to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and network through internal and external meetings

We offer a challenging environment with room for initiatives, complemented with the required training, as well as a market standard compensation package.

Key competencies and qualifications include:

- First-class business, economics, science or engineering degree
- Previous experience in the Corporate Finance environment
- Financially numerate with excellent Microsoft Office skills
- Excellent communications skills, fluent German and English
- Strong analytical skills
- Self-starter
- Entrepreneurial mindset
- Demonstrable interest, experience and understanding of the specific sectors we focus on

Please send your CV + cover letter (max. 1 page) clearly indicating your availability to internships.germany@gimv.com, we are looking forward to hearing from you!

- *Your CV and any other personal data you provide will be processed and retained in accordance with Gimv's Privacy & Cookie Policy.*
