What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity and Venture Capital sector. For a period of up to 4 to 6 months, you will work as part of the investment team as an Analyst trainee, contributing within a cross-platform set-up and/or within our Anchor investing approach. As an intern you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the ability to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and networking ability through internal and external meetings
- Acquire the necessary technical skills through group and/or individual trainings

Upon completion of the internship, many of our interns are ready to take up job vacancies as an Analyst in e.g. an investment bank, M&A or Private Equity house. Gimv also encourages successful Interns to apply for internal job vacancies (Analyst or jr. Associate) should there be any openings at any given time.

We offer an attractive compensation package, completed with excellent tutoring and training facilities, as well as a challenging environment that allows for and stimulates individual initiatives.

Required key competencies and qualifications include:

- First-class business, economics, science or engineering degree
- Strong analytical skills
- Financial literacy with good Microsoft Office skills
- Excellent communications skills, fluent in English (additional mainstream EU language is a plus). Knowledge of French is required for an internship in our Paris office.
- Self-starter
- Demonstrate an obvious interest, experience and understanding of the specific sectors Gimv focuses on and a possess a clear desire to work in private equity/venture capital.
