Gimv

Building leading companies.

Internship at Gimv The Hague

About Gimv

Gimv is a European investment company listed on Euronext Brussels and a member of the Euronext BEL ESG Index. With over 45 years of private equity experience, Gimv currently manages around EUR 3 billion of assets across a portfolio of some 60 companies, representing a combined turnover of EUR 5 billion and more than 20,000 employees.

As a recognised market leader in four future oriented investment platforms (Consumer, Healthcare, Smart Industries and Sustainable Cities) as well as through the long-term investment pillar Gimv Anchor Investments, Gimv partners with entrepreneurial, innovative businesses with strong growth potential and supports their transformation into market leaders. Gimv operates with experienced local teams across its home markets Benelux, France and DACH.
More information on Gimv can be found on www.gimv.com

What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity sector. For a period of up to 3 to 4 months, you will work as part of the investment team as an Analyst trainee, contributing in a cross-platform set-up and/or within our Anchor investing approach. As an intern you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the ability to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and networking ability through internal and external meetings
- Acquire the necessary technical skills through group and/or individual trainings

Upon completion of the internship, many of our interns are ready to take up job vacancies as an Analyst at an investment bank, Private Equity house or in M&A. Gimv also encourages successful interns to apply for an Analyst position should there be any openings at any given time.

We offer an attractive compensation package, completed with excellent tutoring and training facilities, as well as a challenging environment that allows for and stimulates individual initiatives.

Required key competencies and qualifications include:

- University degree (last-year BSc or MSc) with good results in finance, economics, science or engineering, where we will always assess results in combination with experience.
- Previous internship experience in either M&A, Private Equity / Venture Capital or Strategy Consulting is nice to have but not a must!
- Well-rounded extra-curricular activities via commissions at study/student associations, travelling or sports
- Financially numerate with good Microsoft Office skills and strong analytical skills
- Excellent communications skills, fluency in Dutch and English is required for an internship in our The Hague office
- Demonstrate an obvious interest, experience and understanding of the specific sectors Gimv focuses on and a possess a clear desire to work in private equity/venture capital

We look forward to receiving your CV and cover letter on internships.netherlands@gimv.com
