Gimv confirms its commitment to infrastructure investor TINC

Gimv took notice of the IPO plans of the infrastructure investment company TINC Comm. VA. ("TINC"). Gimv's participation in TINC represented less than 2% of Gimv's net asset value as per 31 December 2014. It is expected that the planned IPO of TINC will have no material impact on the last reported equity value of Gimv.

Gimv, together with its infrastructure joint venture partner Belfius, will continue to be a major shareholder of TINC after the IPO.
